A Called Meeting of the Pickens County Board of Commissioners was held on Thursday, December 6, 2018 at 5:30 p.m. at the Pickens County Administrative Offices located at 1266 East Church Street in Jasper, Georgia.

The meeting was called to order at 5:30 p.m. by Chairman Robert Jones.

The purpose of the meeting was to conduct a public hearing to determine if the following sections of the county road system have for any reason ceased to be use by the public to the extent that no substantial public purpose is served by them or that their removal from the county road system is otherwise in the best public interest. The three roads in question are as follows:

1. Town Creek Church Road
2. A portion of the old original Cove Road
3. Harley Trail

After much discussion, the following action was taken:

A motion was made by Commissioner Barnes to remove Town Creek Church Road from the county system. Chairman Jones seconded; all voted aye.

A motion was made by Commissioner Barnes to remove a portion of the old original Cove Road from the county system. Chairman Jones seconded; all voted aye.

With regard to Harley Trail, no action was taken at this time due to a temporary injunction that has been filed by the Petty Family to keep the road open until further details can be sorted out regarding ownership of the road bed.

The meeting was adjourned at 5:40 p.m.
These Minutes were approved at the December 20, 2018 meeting.
