Chairman Jones called the meeting to order at 8:30 a.m.

1. **Department Updates**
   During the month of August, Public Works completed tar and graveling: Jordan Road, Thomason Road, Pettit Road, and Evans Road. They will soon be tar and graveling Rocky Ridge Road. Subcontractor paving crews resurfaced: Hyde Road, Eaton Road, and Mockingbird Lane. The crews are currently resurfacing the final phase of the paving contract and it should be complete within the next two weeks. Public Works will be resurfacing Harrington Road and Pea Ridge Road in the coming months. PCRD is now offering basketball registration through October 14th. Instructional league (4-6 years old) costs $35, all other leagues (7-8 years old and above) costs $75. Late registration will be available October 15-17 with a $10 late fee. The Water Department installed 11 new meters.

2. **2019 LMIG**
   The proposed LMIG road list for 2019 was discussed. This list was for discussion purposes only and will be reviewed in detail before a final list is completed. This item will be voted on at the September 20, 2018 regular BOC Meeting.

3. **Proposed Road Status – Harley Trail**
   Harley Trail was discussed. The bridge is currently out and a decision needs to be made regarding the future of the road. Closing the road is an option that was discussed in detail; however, a public meeting will be set so that all property owners can voice their concerns before a decision can be made.

4. **Proposed Amendments to Code of Ordinances – Eco Tourism**
   Phil Landrum explained that our comprehensive plan calls for an emphasis on eco-tourism. There is no definition of that in our land use plan, nor do we
have provisions in our ordinances for land use consistent with this idea. It is his recommendation that wedding venues, etc. need to be addressed, if not within a definition of eco-tourism, at least in an amendment to our land use definitions.

There being no further business, the meeting was adjourned at 8:50 a.m.

These Minutes were approved at the September 6, 2018 meeting.
