Chairman Jones called the meeting to order at 10:00 a.m.

1. Department Updates

During the month of July, Pickens County Public Works tar and graveled Martin Road and next plan to tar and gravel Mineral Springs South. They resurfaced Headstart Road and Smokey Hollow Road. Additionally, they patched and sealed Davis Road West and created a turnaround to accommodate school buses. Public Works will be resurfacing Pendley Road and rescaling Monument Road in the coming weeks. Once the Grandview Dam project is complete, they will also repair Grandview Road. Subcontractor crews are currently working on phase one of the paving projects. They resurfaced Camp Road (from AW Lawson Blvd. to Hwy 53 W.), Mineral Spring Street, and Hobson Road. Next they will resurface Appalachian Court, Appalachian Circle, Johnson Road, Parker Road, Keeble Creek, Quail Walk, Cagle Road, and Bethany Road. Phase two paving bid will go out at the end of August.

During July, the Water Department set 11 new meters. The Department of Planning and Development issued 60 new building permits. The 911 Operations Center received 1,829 total calls, 771 were medical responses or fire related. The Pickens Animal Shelter brought in 86 animals and 77 went out through various forms of adoption. Animal control responded to 26 cases. The Recreation Department concluded another successful year of Summer Camp with an average of 60 kids per day. Currently, UFA Soccer is underway at
PCRD. Pickens County government departments continue to stay busy working hard for the citizens of Pickens County.
