

MOBILE HOME APPLICATION

A Permit is required on all construction projects or to locate or move mobile homes. Permits may not be issued the same day application is submitted. An Access/Encroachment permit is required for driveways that access a county-maintained road. **The permit expires 12 months from date of issuance. Permit fees will be doubled if construction activity is undertaken prior to obtaining permits. Permits are Non-Transferable and Non-Refundable. Failure to schedule all required inspections will result in fines and/or stop work orders on the permit.**

Mobile Home Setup

The setup of my personal manufactured home will be completed by myself in lieu of a licensed mobile home installer. I understand that I must comply with all the rules and regulations set forth by the Commissioner of Insurance Safety Fire Division and the mobile home Manufacture's Setup.

I also agree to abide by the manufactured homes guidelines set for in the Pickens County Code of Ordinances sections 38-459 through 38-466.

I understand that violating the above-mentioned rules, regulations, and guidelines will result in stop work order, fines, and/or a delay in obtaining the Certificate of Occupancy for my mobile home.

Mobile Home Instructions

1. ON-SITE PERMITS – (Colored Card) must be displayed and seen from road for inspector to find construction site. This card must be displayed during construction on all buildings.
2. BUILDING PERMIT – Please retain the building permit you are issued for your records. This is your proof that a building permit has been obtained and may be required for utility services.
3. SCHEDULING INSPECTIONS – Call **706-253-8850** to schedule your inspection at least 24 hours prior to needing the inspection. All future mobile home locations are required to have a site inspection **PRIOR** to delivery of the mobile home to the location. Please refer to the Pickens County Building Codes Guidelines packet for a list of inspections.
4. AFFIDAVITS – Electrical affidavit (and all required documentation) is required **BEFORE** power is released.
5. CERTIFICATE OF OCCUPANCY - A Certificate of Occupancy (CO) will be issued by the Planning & Development office once the final inspection has been passed and all required documentation is on file.

Mobile Home & Modular Home Guidelines

- **S38-460:** All manufactured homes located in the jurisdiction shall bear a label certifying it was constructed in compliance with the National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. Section 5401, et seq. (the HUD CODE) and shall be installed in accordance with O.C.G.A. § 8-2-160, et seq.
- **S38-461:** A permit shall be required to locate a manufactured home in the jurisdiction.
- **S38-462:** All manufactured homes shall comply with the minimum health and safety standards before being issued a certificate of occupancy by the building inspector.
- **S38-465:** All manufactured homes not in a mobile home park shall comply with Section 38-181(5) of this Code:

S38-181(5): *Residential building setback lines shall be at least 55 feet from the centerline of the street or road. A corner lot shall meet the setback requirements of both streets. The building shall be setback from the side and rear lot lines a minimum of 15 feet. Violations of setback lines shall be subject to fines as set forth in section 38-9 and/or be subject to removal of that portion of the structure which is in violation of the setback distance.*

- **S38-466:** All manufactured homes shall be secured in accordance with the tie down requirements approved by the mobile home manufacturers association.

All residential and accessory structures must also comply with:

- **S67 Table 6-1-2:** Dimensional requirements by land use intensity district

All items listed above are from the Pickens County Development Standards which can be found at www.pickenscountyga.gov
